Visas for the holders of Passports issued by the former Roumanian, Bulgarian, Hungarian, Czechoslovakian and Albanian Governments.

With reference to my circular V. 39, dated 21st November 1946 regarding the grant of visas to the holders of passports issued by the former Polish and Yugoslav Governments and also by the Governments of Baltic States (Latvia, Estonia and Lithuania), it has been decided that visas should no longer be endorsed on unexpired passports issued by the former regimes in Roumania, Bulgaria, Hungary, Czechoslovakia and Albania except possibily in cases where a visa is being granted under Home Office authority for permanent residence in this country.

2. Applications for visas for visits to the United Kingdom in respect of the holders of such passports may be referred for consideration if the applicant can establish that he or she is permanently resident in the country where the application is made and has a re-entry permit for that country and the visa, if approved, should be endorsed on a 'stateless' document.
